

HMR SERIES Multi-recyclers

The HMR-series Multi-recycler is designed to cut and reduce various materials. The resulting materials can be used for further processing or moved from the site more easily after being cut to a manageable size.

The convenience of the HMR multi-recycler is in its mobility. If you are looking for a tool which will help you reduce recycling yards, the HMR multi-recycler is an excellent solution.

Suitable for cutting:
 Wood
 Paper
 Plastic
 Light scrap
